DETAILED ACTION

1. Claims 1-50 are rejected under 35 U.S.C. 102(e) and 35 U.S.C. 103(a) rejections as shown in paragraph 1 and 2 in the office action mailed 5/2/06.

2. Applicant's arguments filed 8/2/06 have been fully considered but they are not persuasive.

Applicant argues at page 2, 3rd paragraph and page 3, 1st paragraph that "Dodd reference cited by Examiner do not disclose modifying the optimized profile if one or more termination criteria are met". It is true that section 0052 does not teach in detail modifying the optimized profile if one or more termination criteria are met. However, section 0057 recites modifying the optimized profile if one or more termination criteria are met. The optimal process is adjusting the training process of a profile to reach a desired value.

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to George Davis whose telephone number is (571) 272-3683. The examiner can normally be reached on Monday through Friday from 10:00 am to 6:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Vincent, can be reached on (571) 272-3080. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-3800.
